

TOP-LINE™ Advanced Support

Helps add muscle to develop a healthy topline.

Top-Line™ Advanced Support product is a supplement that provides effective results in strengthening and supporting muscle on your horse's topline. It works with or without exercise, and many horses show significant improvement in as little as 30 days. Top-Line™ Advanced Support is for all horses and works with all feeds.

Features and Benefits

- Includes Topline Balance™, our unique approach to topline health
- Fast and effective balanced amino acid supplement to help improve topline and muscle
- Formulated to boost post-exercise recovery
- Ultra-concentrated so you feed less and save more
- Rice bran oil as source of Gamma Oryzanol to support normal muscle development
- Flaxseed for balanced Omega 3 and Omega 6 fatty acids for enhanced hair coat and overall appearance
- 30-day maintenance supply
